Principal's Message

Welcome back from Spring Break! I hope everyone had a chance over the break to spend some quality time together with their families.

Term 2 learning updates went home last month and I was filled with pride when I was reading over them. Across all grade levels our students are showing steady progress in reading, writing and math. The gains our students have made from term one to term two are a direct result of our dedicated educational staff at school and the close relationship we have with our parent community.

Looking ahead, it is baffling to me that we are into the last term of school. With only three months of school left, where has the time gone?! I suspect these coming days are going to fly by, and I look forward to the learning and excitement ahead of us.

Erica Hopkins
Principal
