Holi Celebration

Ecole Clearbrook Parents/Guardians,

Holi, also known as a “Festival of Colours”, is a South Asian holiday to celebrate Spring, love and new life. We will be celebrating Holi as a school the afternoon of Wednesday, March 4th. As part of our celebrations, we will be having an optional colour party outside in the afternoon!

How It Works:

- Students are asked to wear old clothing (a light coloured shirt works best).
- Students and staff will gather outside together on the field.
- Each student will receive a bag of brightly coloured powder. (The coloured powder is non-toxic, eco-friendly, child safe, and mostly washes out of clothing).
- Students are to throw the coloured powder in the air, becoming covered in bright colours, like a rainbow.

As this is a messy activity, a change of clothing will be necessary and parent permission is required. Students who do not have permission to participate in the colour party will have the opportunity to decorate the school grounds using sidewalk chalk.
